

THE TEAM TRACKERS MEET AT CLARKSBURG

Government Allows Them
to Ship to Indiana and
Iowa.

Friday a meeting of the Team Track Coal Operators' Association was held at the Waldo Hotel, Clarksburg.

The Clarksburg Exponent today states the following:

More than a hundred members of the recently organized Team Track Coal Operators' Association met in the assembly room at the Waldo hotel last evening to hear the report of their secretary, F. V. Bouie, who has just returned from a trip to Washington in the interest of a better coal supply for the team track operators.

"The fuel administration, it was said, is willing enough to grant permission for the team track association to ship coal west to Indiana and Iowa, but the question arising out of marketing problems wherever this coal may be shipped must remain for the operators' decision. It was stated that only ninety-eight per cent of team track mines can ship profitably at the government's price for open coal. The leading allowance of seventy-five cents per ton for box cars from team track mines is not allowed when open cars are used. Accordingly, the urgent recommendation to the many members present was to encourage brokers selling coal in western territory."

BREAD MAY NOW BE MADE OF PURE FLOUR

War's End Releases Wheat
to Far Off
Countries.

The ending of the European war has brought about many changes in the rules and regulations of the United States Food administration. One of the big things that the Food administration has done was the saving of breadstuffs for the allies and the people of Europe by the limitations placed upon the consumption of wheat in this country. Wheat being the commodity that was easily shipped and handled, the American people were required to use a certain amount of substitute cereals with their wheat, according to a statement made by E. W. Ogilvie, Federal Food administrator for West Virginia.

On January 26, 1918, a rule was enforced requiring people to buy 50 per cent of substitute cereals with flour and this was continued until September 1st of the same year. From September 1st to November 12th at a conference of the Allied Food Controllers which Mr. Hoover attended in London late in the summer, it was decided to provide for the people of this country, and the allied nations, a minimum or victory loaf of bread consisting of 80 per cent wheat flour and 20 per cent substitute. Now, since the war has ended, the necessity for substituting other cereals with wheat no longer exists, and the limitations have been withdrawn entirely. There will exist, however, the same necessity for saving and conserving bread and wheat for the starving people of Europe as before—in fact, the de-

HUSBAND SAVES WIFE

From Suffering by Getting
Her Lydia E. Pinkham's
Vegetable Compound.

Pittsburgh, Pa.—"For many months was not able to do my work owing to a weakness which caused backache and headaches. A friend called my attention to one of your newspaper advertisements and immediately my husband bought three bottles of Lydia E. Pinkham's Vegetable Compound for me. After taking two bottles I felt fine and my troubles caused by that weakness were a thing of the past. All women who suffer as I did should try Lydia E. Pinkham's Vegetable Compound."—Mrs. Jas. Rosenberg, 620 Knapp St., E. Pittsburgh, Pa.

Women who suffer from any form of weakness, as indicated by displacements, abnormal red, ulceration, irregularities, or the blues, should accept Mrs. Rosenberg's suggestion and give Lydia E. Pinkham's Vegetable Compound a thorough trial.

For over forty years it has been recognized such ailments. If you have any such complications, write for advice to Lydia E. Pinkham Medicine Co., Lynn, Mass.

Heal Skin Diseases

It is unnecessary for you to suffer with rashes, blotches, ringworm, eczema and other skin troubles. A little zinc ointment at any drug store for 35c, or 50c for extra large bottle, and promptly will usually give instant relief. It is itching, itchy, it cleanses and soothes the skin and heals quickly and effectively most skin diseases.

It is a wonderful, penetrating disinfectant and is nothing to the skin. It is not greasy. Get it at any drug store.

CHILDREN'S HOME MAKES AN APPEAL

Ask That a Thanksgiving
Offering Be Made
This Year.

CHARLESTON, Nov. 18.—The Children's Home Society of West Virginia is making an earnest appeal to the people of the state for a Thanksgiving offering. The appeal is as follows:

Shortly after organization the late Hon. H. C. Davis, the great friend of West Virginia orphans, gave the society a home for the unfortunate little ones, which is located in Charleston, W. Va., supplementing this generous gift by the yet more helpful donation of \$100 per month since 1896. To this first building Mr. Davis has added a two-story building, thus greatly increasing our capacity for caring for orphan children.

Into this home, named Davis Child Shelter in honor of its generous donor, we have gathered 322 homeless little ones in whose behalf we make this earnest appeal for Thanksgiving offering. We need to accumulate a surplus fund for winter supplies, and to carry the Child Rescue Work into the new year. We would like to give an extended account of what the rescue of these 322 homeless orphans

has cost, but space will not allow. We appeal to every patriotic citizen to send a liberal Thanksgiving offering to the undersigned.
